FELLOWSHIP INFORMATION:
The Harvard-Cambridge Scholarship program comprises four separate scholarships, each providing for
one year of study at Cambridge University:

- Lionel de Jersey Harvard Scholarship (Emmanuel College)
- John Eliot Scholarship (Jesus College)
- Lt. Charles H. Fiske III Scholarship (Trinity College)
- Gov. William Shirley Scholarship (Pembroke College)

Eligibility:
Applicants must be Harvard College graduating seniors.

Benefits:
Each of the four scholarships provides for tuition and fees, and lodging expenses for one year
(Michaelmas, Lent, and Easter Terms), as well as a generous stipend to cover additional expenses,
transportation, and some travel.

Selection criteria:
The selection committee—made up of former recipients of the scholarship—looks for people who have
been actively engaged in their passions, who have learned and grown at Harvard, and who give promise
of further learning and growth. There is no requirement of a particular grade point average or
concentration. Ambassadorial qualities are as important as academic strengths. The achievements of
scholarship winners are often outstanding, but these are neither the only basis of selection nor
emblematic of a formula that ensures it.

By far the most important parts of an application are the student’s essay and the letters of
recommendation - these give the committee some sense of the individual behind the achievements. The
committee is not seeking merit-badge collectors; a sense of adventure and a willingness to take risks
may mean more than a string of safe successes. No specific extracurricular activities or positions
automatically qualify someone for either an interview or selection. The essay should therefore devote
greater attention to the applicant’s background and interests than to a program of study. The selection
committee’s focus is on the person, especially as one poised to make the most of the Cambridge
experience. Applicants must apply on their own for admission to their chosen degree program.

PLEASE READ CAREFULLY AND ORGANIZE THE FOLLOWING MATERIALS FOR YOUR APPLICATION:

■ APPLICATION FORM
   Complete the online CARAT information, which will be compiled and displayed as your application cover sheet.

■ CURRENT RESUME

■ PROPOSAL/UNIVERSITY APPLICATION RECEIPT
   In 750 words or less, explain your reasons for seeking this fellowship and how it may aid in your personal growth. The Selection Committee is most interested in reading about matters that interest you. Anything is welcome, whether it concerns studies, activities, jobs, travel, or personal concerns and broader issues. The Selection Committee is looking for a sense of the person behind the application. Add to the end of your proposal proof that you have at least begun your application to the university. For these purposes, a screen shot of your application dashboard will suffice.

■ THREE LETTERS OF RECOMMENDATION
   The Selection Committee advises that all three letters should NOT be from professors or instructors in the same department. At least one letter should be from an instructor, but taken together, all three letters should give the committee a balanced and multi-faceted perspective on you. All should comment on how you might benefit from the year of growth the scholarships offer. Letters should be addressed to “The Harvard- Cambridge Scholarship Selection Committee” and submitted online by your recommenders, following instructions they will receive once you designate them. (See below).
